

JAVIN
—DE SEOUL—

Brand Introduction

Joyful April, Vitality In Nature, DE SEOUL

Story of JAVIN beginning in the Spring of Seoul

Look at the spring flowers that stick out their heads toward the sun as
the ground slowly melts after the harsh winter
and think about the strength behind the beauty.

Beauty lies in our natural skin
regardless of your skin color, gender, or age.

-Exclusive Patented Ingredients

02 Patented Ingredients

PATENTED INGREDIENTS

Patent Application 10-2018-0008438

Wakes up the flow of the skin with
10 Flowerburst Complex

More than 10 flower extracts were extracted using natural working solvents and the components obtained by enzyme treatment were treated with the 10 Flowerburst Complex.

Patent Application 10-2017-0133961

Strengthen the skin barrier with
D-Panthenol Recovery Complex

The patented botanical ingredients and D-panthenol help to strengthen the skin barrier by calming and protecting the skin from irritation factors.
